## Foreword

*Dear colleague*

*I have a pleasure to forward you the Proceedings of the 4th World Congress of Asian Psychiatry (WCAP). The Proceeding contains only a few numbers of selected papers. The Congress held in Bangkok was attended by more than 1,200 participants from 43 countries and areas. We were grateful to the Department of Mental Health of Thai Government, Psychiatric Association of Thailand and many other organizers in Thailand for their excellent arrangement and kind hospitality.*

*As the president of the 4th WCAP, I would like to express my thanks to enormous support provided by a large number of national psychiatric societies and associations in Asia. One of the important missions of our Congress was to unite psychiatrists of all Asian regions and to improve academic standard and psychiatric services in Asia. Our goal is “ Excellence in Asian Psychiatry”. We have still many miles to go. We have to promote our unity and achieve our goals in Asia. Asian Psychiatry will grow only with your continuous support.*

*At the end, I would like express my congratulation for five authors for their contribution to the Proceeding.*

*Thanks and regards*

Prof. Naotaka Shinfuku, M.D.Ph.D.  
President , 4<sup>th</sup> World Congress of Asian Psychaitry (4 WCAP)
